

THE LEGACY MUSIC SERIES

PRESENTED BY PASSAVANT HOSPITAL FOUNDATION

“Healing comes in many forms. The approach of music is a way of letting the patient and families know that we care and that we are all in this together.”

LEGACY of CARING

Passavant Hospital Foundation is introducing a new outreach program, **The Legacy Music Series**, supported by music performed by talented volunteer musicians in a casual environment at UPMC Passavant *McCandless*.

The Legacy Music Series is meant to provide a pleasant diversion during difficult times for patients and families. In a casual environment, talented musicians come to play music from classical to new age repertoires that they love while helping to provide a healing and calming environment.

We are seeking talented musicians who will volunteer their time to give the gift of music in **The Legacy Music Series**. We are accepting inquiries.

Please call Passavant Hospital Foundation for more information – 412 367-6640
